Explorer Project - Chapter 1 Partner Grade Sheet

When grading a partner, you must be completely honest. Please remember, I was in the room and carefully observed what each group did or didn't do. I am also aware of who put in good effort based on each person's portion of his or her presentation. So **BE HONEST**, but don't be mean or vengeful.

1. What parts of the project did you partner do? _____

2. What parts of the project did you do? _____

3. Do you feel that your partner shared EQUALLY in the responsibility of putting together this project? Yes or No

4. If you answered "NO" to question 3, tell me why? _____

5. If

"A" means **AMAZING** job and your partner worked very, very hard.

"B" means **GOOD** job and your partner worked to the best of their ability.

"C" means **AVERAGE** job, your partner & did exactly what was expected.

"D" means **BELOW AVERAGE**, and your partner put in minimal effort.

"F" means, you did it all and your partner did **NOTHING**.

What overall grade would you give your partner? _____

Why? _____
